HERE TWIN CITIES HOW SOUNDS THIS?

(SPECIAL TO THE TIMES)
WHITING, Ind., Aug. 19.—The Polarines tried to play some games with some of the locals around Indiana Harbor and Hammond, but that seems almost impossible, to finish a game with these teams as they would rather start an argument to force the visitor off the field, which was the experience of the Polarines the last two games played at Indiana Harbor and at Hammond. These two games were with the K. of C. teams of these two cities, for which the Polarines received the blame for quitting.

These two teams played a game between themselves and to this day hard feeling exists between the two teams mentioned.

What chance have the Polarines, when the two teams claim that they both received a raw deal, when the game was played and owned up that both were not playing a fair game.

Stop your side bets and we will have clean baseball.

In last Sunday's game the Harbor club claims that the great Morgan pitched great ball. He was nicknamed for more safeties than Simon and if the Harbor aggregation will look at their score book if they have one, they will see that Morgan was not as effective as they claim.

The Twin City team claim that Pickett, who officiated the game, was an official umpire, which he is not.

The Polarines, who have welloped the Harbor lads once this season can do it again and do it with ease, so anytime that they are ready to play the Oil City club on a neutral ground they know what to do.

GRIFFITH HUMBLER GARY J. A. C.

GRIFFITH, Ind., Aug. 19.—The Griffith Colts defeated the J. A. C. from Gary last Sunday by the score of 7 to 3 at the Griffith ball park. Hilbrich was on the mound and was in the best of form, holding the Gary boys to six hits, and striking out 12 men, including Ray Schalk's brother twice, next Sunday the White Eagles from Whiting will come to Griffith and try to break the Griffith team's winning streak, but the home boys are sure that they can send the Oil City boys home with the short end of the gate receipts.

WALLY PIPP socked a homer in the ninth inning. He and Wilson Fewster rode home on the blow, registering a 4 to 3 victory over Cleveland for the Yankees.

ELMER MYERS added one more to his victory column when he went 11 innings and whipped the Tigers, for the Red Sox, 6 to 5.

White Set For Moran Battle

Chicago Lightweight Realizes He Has Hard Task On His Hands.

Charlie White, the Chicago lightweight, is little concerned over the fight that Saturday at East Chicago in so far as it concerns Moran, but as a stepping stone for a return match with Champion Benny Leonard it assumes great importance and will make White step his best in an effort to win a decisive victory.

When White fought Pal Moran in the southland he admits that he wasn't in the best of condition because he held the New Orleans boy perhaps a little too lightly. Combined with this was the fact that Moran was fighting at home, among friends and naturally it was easy for White to get the worst of the argument if the New Orleans fans could give it to him. White has been thinking it all over and is taking no chances on losing this bout, but predicts that he can stop Moran before the 10 rounds are finished.

Although White was knocked out by Leonard at Benton Harbor on the fourth of July, there is no doubt that for a time he had the champion considerably worried. He is obsessed with the idea that some day he will be the champion light weight and believes that he is now in condition to meet Leonard and take his measure. He can't get a return match with Leonard, however, if he does not put Moran out of the way and that is the chief reason why next Saturday's fight will be a battle from start to finish.

MUSIC FOR THE BENEFIT BALL GAME

At the benefit game Sunday at Harrison park for Miss Rudolph for the K. C. Elk team vs. Scatena game, the Hammond Musicians Union have very kindly offered a band for this occasion. So those patronizing this affair Sunday will be treated to some music as well as a first class ball game.

As this is a most worthy cause and these ball clubs are both making a sacrifice on this occasion, the public no doubt will appreciate and turn out in large numbers Sunday afternoon. Exercises will begin at 2:30 p. m.

Battling order of these two clubs will be announced later.

Joe Ausgen will be chairman of the soliciting committee and will be assisted by W. Filan, Sam Hicks, C. C. Bonham, Geo. Dobbins, W. Kuhn, W. Newman, Ed Kelly, Jimmy Trost, E. Aron, and Sam Abelman and Hollis Hunt. A big crowd Sunday will mean that this young lady who recently suffered the loss of one foot, will be provided with a business education so she will be able to care for herself in the future.

UMPIRES CLAIM TRICKERY USED BY HURLER MAYS

BOSTON, Mass., Aug. 18.—The explanation by Carl Mays of the New York Americans that the killing of Ray

Chapman, star shortstop of the Cleveland club, was due to a rough spot on the ball Mays pitched, which caused it to take an unexpected twist, was the subject of a statement today by Umpire William Evans and William Dineen of the American league.

"No pitcher in the American league resorted to trickery more than Carl Mays in attempting to rough a ball in order to get a break on it which would make it more difficult to hit," the statement said. "Until the new pitching rules came into force which put a severe penalty on a pitcher roughing the ball Mays constantly used to drag the ball across the pitching rubber in order to roughen the surface. Hundreds of balls were thrown out every year because of this act."

MISKE IN CHICAGO TO START TRAINING; LOOKS FIT TO FIGHT

Billy Miske the St. Paul heavy weight, who is to battle world's champion Jack Dempsey at Benton Harbor on Labor day landed in Chicago yesterday. Miske was accompanied by his manager Jack Reddy and Jim Delaney a sparring partner. The scrapper intends to remain here a few days, training at Kid Howard's Arcade gymnasium.

Local fans who have been doubtful as to the truth of the reports which have been sent out of St. Paul that Miske is a greatly improved scrapper got the chance to judge for themselves when they saw Billy strip and go through his paces shortly after his arrival.

ELGIN ROAD RACE TO O'DONNELL

ELGIN, Ill., Aug. 18.—Eddie O'Donnell, driving a Duesenberg, set the record for the Elgin road race course during the first practice here today in 6 minutes 52 seconds for the eight and one-quarter miles. This is only 39 seconds slower than the lap record made by the Spencer Wishart in the race in which he was killed in 1914.

O'Donnell made his record on his second trip around the track. Other drivers to participate in the practice today were Eddie Hearne, Jimmy Murphy and Cliff Durant. They did not attempt to show any speed and took considerably more than seven minutes for the course.

STARS ON GROUND
Besides the drivers who took part in practice today, Ralph de Palma and Tommy Milton are here with their cars.

Three drivers are on their way from Indianapolis. Ralph Mulford, Percy Ford and Gaston Chevrolet are driving their cars from their point of assembly.

The only other entrant William H. Seymour of Elgin, is assembling his machine in Chicago. All ten drivers are expected to report for the time trials tomorrow.

Roads leading to the Elgin road race were never so well marked as they are for this year's race, which is to be held Saturday. For two weeks the Chicago Motor club has had six pathfinding cars marking all roads leading to Elgin within a radius of 250 miles, and this week all have been called in to concentrate on the roads between Chicago and Elgin.

MIGHTY emitting gave the Browns a 13 to 2 victory over the Senators. Bobby Roth pinch-hit for Acosta in the ninth, but failed to get even one run across, to say nothing of the needed twelve.
